

SISTEMA INTEGRATO **KS** K O S M O S Y S T E M | DESIGN by PERIN&TOPAN

THE RIGHT "SYSTEM" FOR SEAMLESS TEAMWORK

EXCLUSIVE
KS

CARTER PER GAMBA KS_
per il passaggio dei cavi lungo la gamba,
caratterizzato da un'estetica non invasiva.
In metallo verniciato.

CASING FOR KS LEG_
simple housing to run cabling up the leg,
featuring a discreet aesthetic.
Coated metal.

CARTER POUR PIÉMENT KS_
pour le passage des câbles le long
du piétement, caractérisé par une
esthétique minimaliste.
En métal peint.

RE-CREATE AND
RE-CONFIGURE THE SPACE

KOSMOSYSTEM

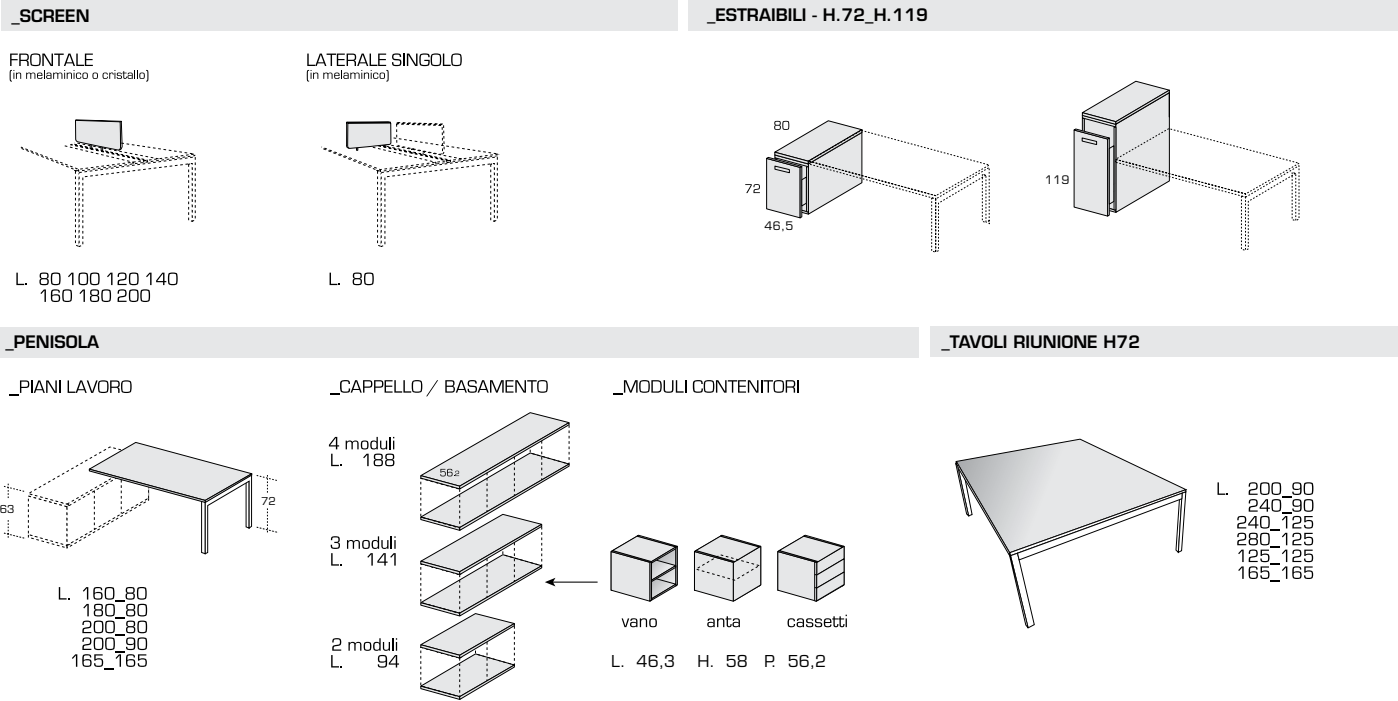

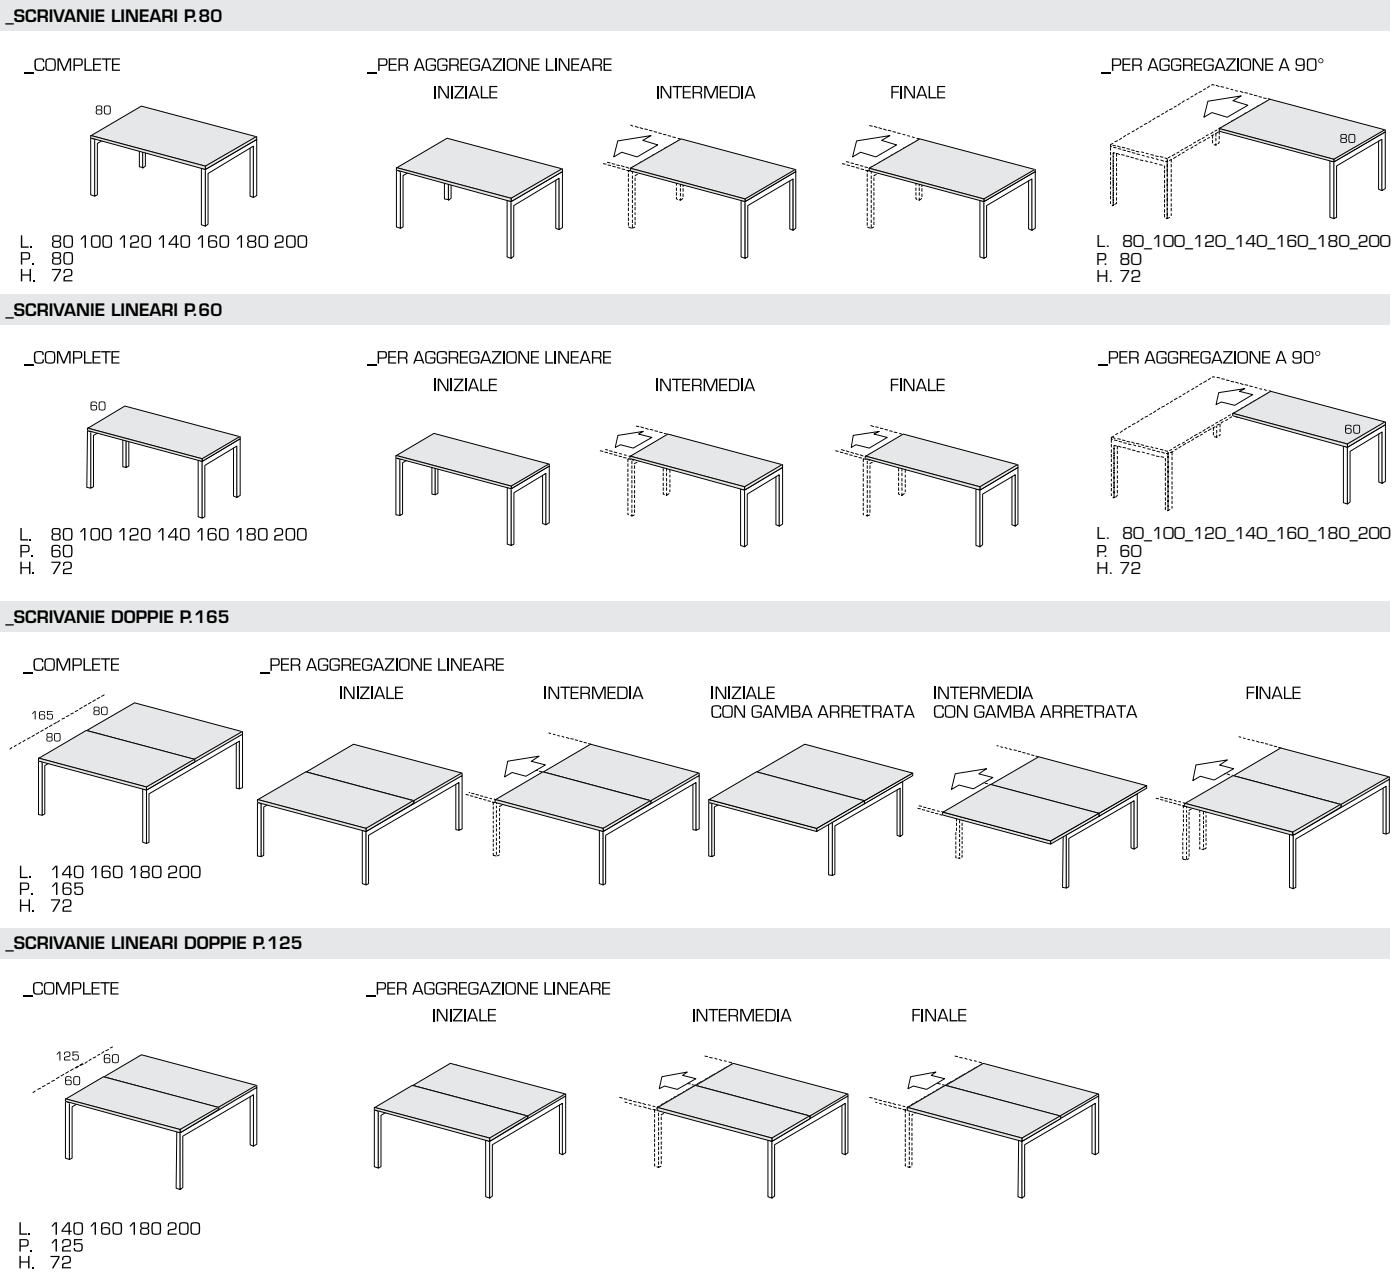

Dalla postazione singola,
compatta e discreta,
alle più complesse esigenze
dimensionali e tecnologiche.

From the single, compact
and discreet workstation
to the most complex size
and technology needs.

Du poste de travail individuel,
compact et discret,
aux exigences dimensionnelles et
technologiques plus complexes.

“MEN WHO WISH
TO KNOW ABOUT
THE WORLD MUST LEARN
ABOUT IT IN ITS
PARTICULAR DETAILS”
