EVOLUTION

An aerial photograph of a vast, deep blue ocean. The water's surface is covered in fine, rhythmic ripples. In the distance, a thin, hazy line marks the horizon where the sea meets a pale, overcast sky. The overall tone is serene and expansive.

We create outdoor spaces to enjoy the nature, the air, the plants and the sea. For this reason we feel the duty of protecting and caring for the world.

Creamos ambientes de exterior para disfrutar de la naturaleza, el aire, las plantas y el mar. Por esta razón tenemos la obligación de cuidarlo y protegerlo.

the designer

Eugeni Quitllet

The Catalan designer Eugeni Quitllet was born on 17th April 1972 in Ibiza. He graduated from 'La Llotja' art school in Barcelona. Through his creative vocabulary he exceeds simple relationships between function and style unveiling innovative objects. Between drawing, sculpture and contemporary archaeology, Quitllet literally reveals silhouettes hidden in the material, extremely visual skeletal objects elegantly master fullness and emptiness often with a touch of humour. Eugeni Quitllet is a design world freak capable of devouring the whole of our environment in his own way to serve it up to us transformed.

"Every idea comes from the sea as the life does."
