

VERTICAL

High-impact glass whiteboard

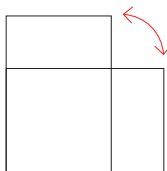

plan

PLAN by VERTICAL is a thin, high-impact glass whiteboard, expressing perfectly both the character of those who choose it and the spaces in which it integrates. It offers modern colour geometry with a clean and eye-catching design. As well as space on which to write, plan, design, pin photos and projects, delete and start over. Differentiate your spaces, decorate your walls and it always comes back as new.

PLAN by VERTICAL is available in five different sizes to fit any environment.

Change your space:
choose whether to place it
horizontally or vertically.

Colours

Choose one of five brilliant colours.

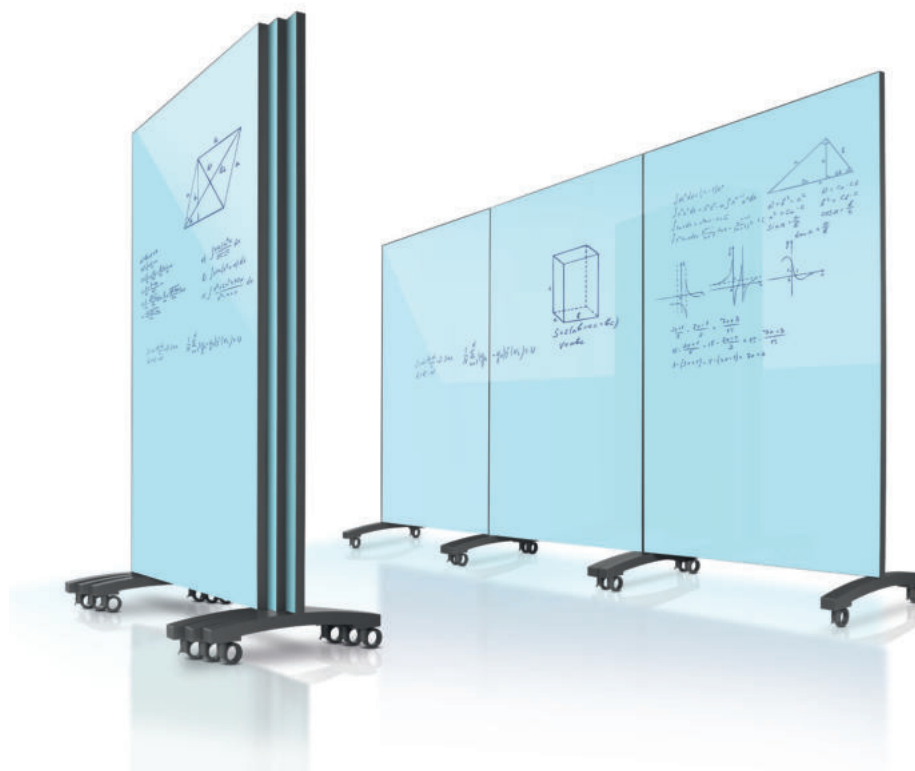

Dimensions

150x120 cm				
120x90 cm				
90x60 cm				
			185x120 cm	200x120 cm

Qi Mobile is the new VERTICAL mobile magnetic glass-board. Dry-erasable and with a double (front/rear) glass work surface, Qi Mobile moves with ease thanks to four large-diameter wheels equipped with a safety brake that guarantee excellent stability.

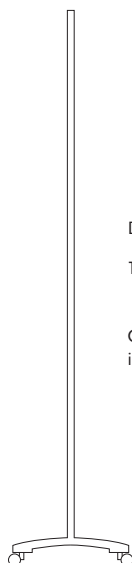

Dimensions

120x200x60 cm

Qi Mobile by VERTICAL is available in vertical size.

Colours

Choose one of five brilliant colours.

Warranty

The PLAN and Qi Mobile glass whiteboard by VERTICAL has an unalterable area of tempered glass guaranteed for 25 years. The warranty does not cover misuse, neglect, improper use and other methods of use that do not match the operating instructions supplied.

Much more than just a whiteboard

UNALTERABLE

Brilliant and unalterable colours over time.

SAFE

The 5mm thickness makes it resilient and safe.

MINIMALISTIC

It has a clean and elegant design.

MAGNETIC

The surface magnetic.

FACILE

The Plan, to assemble.
The Qi, to move.

ECO-FRIENDLY

Just simple and natural materials.
